NOTE FROM MRS. HAHN

As I am sharing this message with you my heart is filled with gratitude as I look back at the last six years I have spent at EMCS. I recently accepted a new job, at another school, for the 2026-2027 school year. While I am excited for what's ahead, saying goodbye to this wonderful community is not easy.

It has been a privilege to work alongside the staff, students and families at EMCS as a Kindergarten teacher for two years and more recently as the ESS Teacher and Administrative Support. Every day brought moments of growth, resilience and joy. Whether it was helping a student overcome a challenge, collaborating with staff, or partnering with families, these experiences have shaped who I am both personally and professionally.

While I am moving forward to a new role, the memories and relationships from this school will always be with me. This community has made a lasting impact on me. Thank you for the opportunity to have served at EMCS and I look forward to a great end to the school year!
