Welcome Ziggy & Zaggy!

Ziggy & Zaggy are anoles. They are part of the 5th & 6th grade science woodland ecosystem studies! There are 2 Centipedes hiding in there also.

Valentines Day Party

We will have our Valentines Day Party on Tuesday, February 14! The K-4th Grade students will be making bags for their valentines and having an ice cream social hour! Letters were sent home last week regarding Valentines, there are 26 K- 4th Grade students. In the past we have found it is easier for students if they leave the "To/For" part blank. It is often difficult for them to read their friend's names. This way they can just pass them out to anyone and it goes really smooth.

Birds Of Prey

Our Birds Of Prey visit has been rescheduled to February 24th. The students are really looking forward to this!

TRIP

Please note, there will be no TRIP order placed on February 22. However, orders from the previous week will be ready for you to pick up.

Wild Game Dinner – Saturday, February 4

Thank you to everyone who came to our Wild Game Dinner! The night was a huge success. We are so grateful for the continued support from our volunteers and donors.
