Payment Policies:

If you are in need of financial assistance, the E.M.C.S. Board of Directors does offer tuition assistance. In order to qualify, you must fill out a FACTS application. Tuition assistance will be awarded to those who qualify. Please fill out the form found at: <https://online.factsmgmt.com/SignIn.aspx>. It is also found on the school website.

Tuition payments can be made in one of three different plans.

1. Payment in full on September 1, 2024 (a 2% discount given)
2. Two equal payments due September 1, 2024 and February 1, 2025 (a 1% discount given)
3. Twelve equal monthly payments, the first due September 1, 2024 and the last due August 1, 2025

All new families to EMCS will receive a one time 25% discount on their tuition for the first year. Any current family at EMCS who brings a new family to EMCS will also receive \$500 off their tuition for that year.

Tuition is due monthly.

The Finance Committee will send out past due statements on the first of the month informing parents of their balance.

I promise to pay the above tuition in accordance with the tuition payment schedule that I have indicated. I understand that if I do not meet the above terms the school may take one or more of the following steps: communicate with my church; withhold report cards, transcripts, and diplomas; initiate legal action to collect tuition due. I understand that I must abide by the tuition payment schedule, unless I reach an alternate written agreement with the school's Finance Committee. I agree to reimburse the school's attorney fees incurred as a result of my failure to pay tuition as due.

All payments should be sent to:
 East Martin Christian School
 516 118th Avenue
 Martin, MI 49070

All payments must be made by cash, check, money order or cashier's check.

EMCS also operates a Scrip program, called TRIP (Tuition Reduction Incentive Program). EMCS purchases gift certificates at a discount and families purchase these certificates at face value, receiving the discount in the form of a tuition credit twice per year. Many retailers, gas stations, and grocery stores participate with this program and the discounts can range anywhere from 1-20%. We have more information about the TRIP program if you are interested in further reducing the cost of your tuition.
